## ABOUT ME —

I am Michelle Ramirez, Ramirez, a passionate consultant and web developer based in Orange County, CA, USA. With a deep love for both dogs and family, I bring a unique blend of creativity and technical expertise to my work. I specialize in crafting custom website and app solutions that not only look great but also deliver exceptional user experiences. My skills extend to product development, proficiency in WordPress, and a strong command of various E-commerce platforms. Drawing from my 16 years of diverse experience in project management in audit, technology, accounting, and finance, I offer a holistic perspective to my clients as a seasoned Consultant. I'm committed to leading clients towards success by harnessing my hybrid expertise.

## MY WORK EXPERIENCE —

2017 - Present

### Account Step, LLC

Orange County, CA

### Web Designer & Developer

Since 2017, I've designed and developed numerous front-end apps using JavaScript, HTML, CSS, and React, incorporating API integrations and various frameworks. Additionally, I crafting and set up WordPress websites, blogs and eCommerce stores on WooCommerce, Shopify, and Etsy. My work extends to product design and manufacturing coordination, with a focus on creating 4EverPuppy's unique dog collar line on Etsy. I also drive marketing efforts through social media channels for the brand's success.

2014 – 2022

### Pricewaterhouse

### Coopers,

### Robert Half, &

### Protiviti

Orange County, CA

### Audit, Accounting, & Technical Consultant

Provided various audit and accounting consulting services and business project management and consulting services for ERP system upgrades, data migrations, and assisting with business process improvements as well as software solutions using automation with apps and VBA & SQL. Consistently provided clients with valuable assurance and strategic guidance, driving gains in the efficiency of their business processes and reliability in their enterprise risk and accounting systems. accounting systems.
